Hiring Manager

Goldman Sachs

Karnataka, Bengaluru

Dear Hiring Manager,

I am excited to apply for the new Analyst Program at Goldman Sachs. With a Master's degree in Computer Application from Lakshmi Narain College of Technology Bhopal, and have hands-on experience in web development, during my recent internship with Oasis Infobyte, that I eager to bring to your esteemed firm. Additionally, I've done full stack projects like University Software and Book Store Manager and worked on Java, HTML, CSS, React, Express js, Nodejs and MySQL. My education has also equipped me with a strong foundation in programming languages, database management systems, and software development life cycles.

I am particularly drawn to Goldman Sachs due to its reputation for innovation and excellence in the financial services industry. I am eager to bring my technical skills and passion for software development to your team. I am confident that my background, combined with my dedication to continuous learning and problem-solving, will enable me to make a meaningful contribution to your organization.

Thank you for your time.. I look forward to the opportunity to discuss how my skills and experiences align with the needs of team

Sincerely,

Rishap Kumar Rishi
